THE FIRST CLASS OPERATORS CLUB

A Club for competent operators. The aim of the Club is to foster Goodwill and Manners on the air; to assist newcomers; to set, by example, a standard of operating such as to make the Amateur Bands habitable and pleasant for all.

Qualifications for membership are briefly:—

Election to FOC is by direct sponsoring to HQ from five existing members.

The sponsored station must be able to QSY as necessary, and 'break-in' working on at least two amateur bands is desirable but not obligatory.

Upon election a Membership Certificate is issued, and monthly bulletin of Club News and affairs is sent direct by post. Entry fee is five shillings, or equivalent, and annual subscription seven shillings and sixpence, or equivalent—payable on January 1st of each year.

Hon. Secretary: Les BELGER, G3JLB
